Design for you, with more for less

Born on the ethos that digital sights and sounds should not just be confined within a single physical display and space. Rather, should be experienced anywhere, by anyone and everyone.

The CC200 embodies the spirit of transforming sights and sounds into larger-than-life visual spectacles that is accessible for all.

Product overview

FULL HIGH-DEFINITION CLARITY

Project content in native FHD (1080P) resolution for a superior viewing experience with high-contrast and razor-sharp picture.

UNDERSTATED ELEGANCE

The simplistic, yet refined design allows for CC200 to seamlessly compliment any space in the home or office.

FOR SPACES OF ALL SHAPES AND SIZES

With its 1.2 throw-ratio lens, you will be able to project a screen size of 80 inches (203cm) from just 7.0 ft (2.1m) away. That means you can enjoy a large screen cinema-like viewing experience even in compact spaces.

PRECISION FOCUS

With motorized focus adjustment by remote control, a perfect display is just a few clicks away.

STREAM YOUR FAVOURITE SHOWS

Plug in a wireless streaming stick e.g., Chromecast, Roku, Amazon, and instantly access and stream movies, TV series and multimedia - wirelessly.

PLUG & PLAY

Connect your phone, tablet, laptop, TV stick or DVD device with a compatible cable via HDMI for swift and effortless projection. USB support allows for even quicker access to display your favorite content directly from your external flash storage. Two USB design provides convenience for power supply and flash storage access at same time.

FULL RANGE SPEAKERS

Embedded speakers deliver balanced sound whilst watching your favorite content.

ENDURING PERFORMANCE

Utilizing next generation LED (lamp-free) optics, the operational life is rated of up to 20,000 hours. This ensures the projector will deliver a lifetime of multimedia experiences with almost zero maintenance.
