

Bluetooth speaker with iconic transparent dome and themed lighting.

Inspire your senses with enchanting lights that dance to the rhythms of beautiful Harman Kardon sound. The iconic transparent dome of the Aura Studio 4 radiates a captivating diamond pattern that glows in all directions. Match one of its 5 distinct animated themes to the beat of your music. The lush visual atmosphere is as enticing as the speaker's powerful bass tones and clear, spacious audio. Create memorable experiences by pairing the speaker with more than one mobile device, so everyone can share their own vibe.

Features

- ▶ Superior Sound performance
- ▶ Unique diamond-effect lighting that dances to the music
- ▶ Bluetooth music streaming
- ▶ Made in part with 100% recycled fabric, 100% recycled aluminum and 85% recycled plastic

Features and Benefits

Superior Sound performance

Listen to music the way it was meant to be heard. Your music is reproduced with pinpoint accuracy, thanks to the speaker's distinct channels and dedicated amplifiers, reproducing every sonic detail with breathtaking clarity. Feel every beat from a 5.2" down-firing subwoofer powering deep, rich bass tones. And the wide soundstage of the 6-speaker array is the next best thing to experiencing your favorite songs live.

Unique diamond-effect lighting that dances to the music

Aura Studio 4's signature transparent dome amplifies and radiates elegant ambient illumination in all directions. Inspired by the beauty of the natural world, the shifting patterns and colors of the diamond-effect lighting bring that same sense of wonder to any space. Choose between 5 distinct animated themes to match the mood of your music—and delight your senses.

Bluetooth music streaming

Playlists are for sharing—which is why Aura Studio 4 pairs with any mobile device for seamless wireless streaming.

Made in part with recycled materials

Aura Studio 4 is made with 100% recycled fabric, 100% recycled aluminum, and 85% recycled plastic, and it's packaged using FSC-certified paper and which has been printed with soy-based inks.
